People's Choice Award shortlist announced

Earlier this year, the SGD launched its first Awards scheme to reward outstanding achievement in the garden and landscape design

profession. Since then, a panel of illustrious judges have drawn up a shortlist of entries for the 12 coveted titles and now the Society is calling on the public to have

their say and vote for the garden they think deserves the SGD People's Choice Award.

The gardens shortlisted in the International and three Residential Garden categories will be competing to win the People's Choice Award.

The ten gardens (pictured) range from tranquil, plant-filled sanctuaries in London to a garden created in the inhospitable landscape of the US Rockies.

Cast your vote online

To find out more about all the gardens competing for the

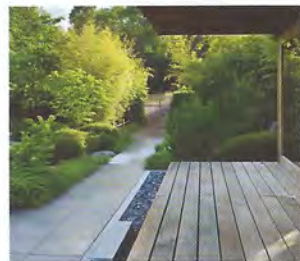

People's Choice Award and to cast your vote, visit the SGD Awards website: www.sgdawards.com/peoples-choice-award.

The SGD People's Choice Award will be managed by Awards media partner *Homes & Gardens* magazine. The voting will close on 26 October 2012 and the winner will be announced alongside the winners in all the other SGD Award categories at the Awards ceremony on Friday 9 November at the Millennium Gloucester Hotel in London.

Have your say and support the SGD Awards.
