## Chelsea Beckons

A host of SGD Members will be back in residence along Chelsea's Main Avenue at the RHS Chelsea Flower Show this year, including Cleve West MSGD, Andy Sturgeon FSGD and Tom Hoblyn MSGD. Joining them will be broadcaster and designer Joe Swift MSGD and **Patricia Fox MSGD**, who are staging Chelsea show gardens for the first time this year. The Show's new *Fresh* category will be home to gardens designed by Nick Dexter MSGD and Chris Gutteridge MSGD, and to the Society's own stand. Visitors can receive free garden design consultations, meet Registered Members, and see their work on a series of posters displayed within the stand. Other MSGDs staging gardens at the Show include Chris Deakin MSGD.
