HIGH AND MIGHTY

Tucked between two Victorian mansions blocks in the heart of west London, this rooftop terrace sometimes comfort with classic style.

Nicola D'Amico is a landscape architect, garden designer and landscaping business in 2014. Operating in high quality landscaped gardens, contemporary interior gardens and a choice of trees, shrubs, and plants, Nicola D'Amico Design operates from his studio in London, UK. He is a member of the Royal Horticultural Society and the Gardeners' Guild.

When the client first contacted Nicola D'Amico, he was looking for a way to maximize the use of the rooftop terrace. The client wanted a high quality terrace with a garden space. The terrace was located in the heart of the city, with a view of the city. The terrace was located between the garden and the building, and the client wanted a terrace that was both functional and beautiful. Nicola D'Amico Design worked with the client to create a terrace that was both functional and beautiful.
